Re: Transfer of Notice of Intention, Small Mining Operations, Fraction Lode Mine, S/045/041, Tooele County, Utah

Dear Ms. Timm:

On August 30, 2001, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Fraction Lode small mining project located in the NE1/4 NW1/4 NW1/4 of Section 26, Township 7 South, Range 18 West, Tooele County, Utah from Mable Timm to Doris Timm. The original notice was submitted in 1993 by Eugene Timm, who passed away in 1996. Mr. Timm's wife, Mable, has continued to submit the annual reports and pay the permit fees for this small mining project.

The Division Director signed and executed the transfer document on September 7, 2001, *which effectively transfers the responsibility of this mining operation and reclamation to you.* A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for the Fraction Lode small mining project.

By copy of this letter **the Division hereby officially releases Mable Timm from any further reclamation responsibilities at this site.** Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286 or Tom Munson at 538-5321. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
